INSPECTION

As you will be aware the school was inspected on Tuesday of this week. Although the findings and report are not yet available I would like to take the opportunity to thank the staff, parents and Governors in supporting the process but most of all the pupils who made the visitors welcome and were very confident to share their ideas and thoughts. I am extremely proud of them all and am grateful for all of the support provided for the school at such short notice.

When we are in receipt of the report we will of course share it with all stakeholders for your reference.

Parents Evening

Many thanks to everyone who attended Parents Evening yesterday it is always good to share pupil progress and for some subjects examples of work too so that you are kept informed of progress through the curriculum.

INSET Day

The next INSET Day, when the school will be closed to pupils is on Thursday 21st December 2017. This is due to some staff being part-time but needing to be included in training. Pupils will be expected to be present on the last day of term 22nd December 2017.

Christmas Card Postbox

If pupils wish to send Christmas Cards to friends or staff in school, they can bring them in and put them in the school postbox then Year 11 prefects will sort them out and send them to dispersal rooms.

Please put the child's name and year group or class on the envelope so that we make sure they go to the correct pupil.

Thank-you to the CO-OP

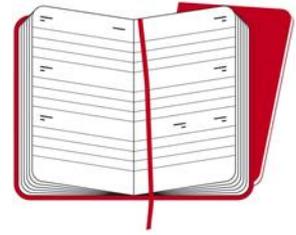

We were invited to attend the official opening of the new Coop Supermarket in Lostock Hall. Even though it was a cold

morning, the children cut the ribbon and received a £500 donation to school funds.
