Tree Planting

Before

Easter we started our outdoor 'forest' classroom by planting 30 trees courtesy of The Woodland Trust. Pupils from each class or year group were selected to plant the trees, all 30 are in the ground and growing well! Our next jobs are to plant some buddleias (to attract the butterflies) and to build a fire pit.

Duke of Edinburgh Expeditions

Congratulations to 10 of our Y11 pupils who successfully completed their practice expedition last weekend by walking to the top of Great Hill at White Coppice on Friday and then completing an orienteering course at Rivington after camping overnight on the school field and cooking their own food outdoors.

Good Luck for the qualifying expedition next weekend.
