Pupil/Parent Support Worker

Hello. My name is Anne Smith and this is just a quick reminder to all parents and carers to let you know about my role in school as Pupil/Parent Family Support Worker. My role is varied and covers many areas, but mainly it is to support the students and their families. I work in close partnership with many other professionals, both within school and outside of school. I can offer support through various links which include the school nurse team, attendance team and other agencies such as the fire service and the police. If the need arises, I can also meet up with you through home visits and discuss things in person with you. Please contact me on the school number (01772 336976) or by email: asmith@moorhey.lancs.sch.uk.
